

NAME			<h1>CEE 499</h1> <h2>Independent Study Contract</h2> <h3>Department of Civil Engineering</h3>
STUDENT NUMBER	QUARTER	YEAR	
FACULTY SUPERVISOR	COURSE CREDITS	EMAIL ADDRESS	

- Fill out this form with your faculty supervisor.
- Bring the signed form to the Academic Counselor in the Advising Office who will give you an entry code.
- Find the schedule line number (SLN) in the Time Schedule and add CEE 499 over STAR using the SLN and entry code.

You can only get credit for this course if you have completed all 300-level CEE course work, taken at least one 400-level course in the area of the independent study, and have 6 or fewer credits of CEE 498 and CEE 499 combined, including this course.

Summarize the independent research project in detail below. The project must include a final report or oral presentation or both.

<p>YES NO</p> <p><input type="checkbox"/> <input type="checkbox"/> I have completed all 300-level CEE course work.</p> <p><input type="checkbox"/> <input type="checkbox"/> I have taken at least one 400-level CEE course in the area of this independent study.</p> <p><input type="checkbox"/> <input type="checkbox"/> I will have 6 or fewer credits of CEE 498 and CEE 499 combined, including this course.</p>	<p>YES NO</p> <p><input type="checkbox"/> <input type="checkbox"/> This independent study project includes a writing assignment based on independent research.</p> <p><input type="checkbox"/> <input type="checkbox"/> This independent study project includes an oral presentation based on independent research.</p>
