

Microsoft Campus Agreement Subscription

CEEUW Student Users Acceptance Form

This acceptance form is valid for the Microsoft products listed below, which shall be referred to collectively herein as the "Software". Software is made available to you because the University of Washington has purchased license coverage for the Software through the Microsoft Campus Agreement Subscription Student Option effective July 1, 2009 through June 30, 2010. Through the Department of Civil and Environmental Engineering, the University of Washington is extending to you the right to use the Software on a personally-owned computer or an institution-owned computer designated for your exclusive use. You do not own the license or the CDs, rather you are authorized to use the Software and associated media pursuant to the terms and conditions of the license(s) granted to the University of Washington for the term of the University of Washington's Campus Agreement Subscription. You will be required to remove the Software from your personal machine immediately upon the earlier of (a) any event, with the exception of graduation, which causes you no longer to be a student of the institution or (b) expiration of the Campus Agreement Subscription term.

If you graduate during the Campus Agreement Subscription term, the Software license will convert to a perpetual license (meaning you own the Software) as verified in your Student License Confirmation, which may be obtained from the University of Washington at that time. The Student License Confirmation is proof of Software ownership.

You are granted the right to use the following Software per the terms of the Campus Agreement Subscription Student Option:

Microsoft Office and Upgrades (Both MAC OS X and WINDOWS versions)
Windows Upgrade (Separate license for some version of Windows is required)
